

Most military records are stored at the National Personnel Records Center in St. Louis, Missouri.

This is also an area where a congressional office can really help. If you are trying to get records from your military service, or that of a family member, feel free to contact my office. I will need your written permission to help with this issue. To make that easier, you can print out this [Authorization Form](#), and fax or mail it to my office.

If you have any questions about this process or military records in general, you can contact my assistant for Veterans matters: Questions? Call the Harry Helpline at 1-888-9-TEAGUE
